FREE VHF ANTENNA

With AIS Transponders

Purchase an AIS transponder listed below and we'll include a FREE AIS tuned VHF antenna

Offer valid with:

AIT1500, AIT1500N2K, AIT2000, AIT2500, iAISTX & iAISTX Plus.

- VHF Heliflex antenna (Regular price \$80)
- Ultra lightweight helical construction
- Tuned to AIS (162MHz) frequencies for optimal performance
- Unobtrusive design for mounting at deck or mast top
- 20m (66ft) cable
- Can be used as emergency backup VHF antenna too

iAISTX & iAISTX Plus

With Free VHF Antenna

iAISTX Plus is an AIS transponder with Wi-Fi interface for tablet & PC navigation and also has a NMEA 2000 interface (Plus version) to integrate with plotters.

- Class B AIS transponder
- WiFi interface for phones, tablets, iPads and PCs
- NMEA 2000 interface
- UDP and TCP/IP protocols supported for up to 7 connected devices
- Password protected, secure wireless connection
- Supplied with external GPS antenna and 10m cable

Part Number	Description	Retail Price ex GST	Purchasing Price ex GST
ZDIGIAISTX	iAISTX	\$859.95	\$644.96
ZDIGIAISTXPL	iAISTX with NMEA2000	\$1059.95	\$794.96

AIT1500 & AIT1500N2K

With Free VHF Antenna

The AIT1500 is an ultra-compact Class B transponder with a built-in GPS.

- Class B AIS transponder
- Output NMEA0183 (AIT1500) or NMEA2000 (AIT1500N2K)
- Built-in high performance 50 channel GPS receiver (ideal also as a backup GPS)
- USB Interface for simple plug and play connection to a PC or Mac
- Supplied with VHF antenna

Part Number	Description	Retail Price ex GST	Purchasing Price ex GST
ZDIGIAIT1500	AIT1500 with NMEA 0183	\$799.95	\$599.96
ZDIGIAIT1500N2K	AIT1500 with NMEA 2000	\$799.95	\$599.96

AIT2000 & AIT2500

With Free VHF Antenna

This ultra-compact Class B Transponder has three outputs; NMEA 0183, NMEA 2000 and USB connection. Also available as a Class B+ SOTDMA AIS transponder (AIT2500)

- Class B AIS (AIT2000) or Class B+ 5W SOTDMA (AIT2500)
- Multiple NMEA 0183 in/out and multiplex capability
- NMEA 2000 connectivity
- USB connectivity for PC/MAC
- Remote TX silence switch option
- Supplied with external GPS antenna and 10m cable

Part Number	Description	Retail Price ex GST	Purchasing Price ex GST
ZDIGIAIT2000	AIT2000 - AIS Class B	\$879.95	\$659.96
ZDIGIAIT2500	AIT2500 - AIS Class B+ 5W SOTDMA	\$1059.95	\$794.96

ORDER AN AIT3000 GET AN AIT5000 PLUS FREE NMEA2000 Starter Kit

Order an AIT3000 (Class B technology) and you'll get our latest AIT5000 (Class B+ technology) for the same price plus a free NMEA 2000 starter kit (€96 value)

- The AIT5000 is a Class B+ AIS Transponder with 5W power output and utilises SOTDMA format transmissions
- Integrated and patented ZeroLoss VHF antenna splitter
- NMEA 0183 multiplexer, NMEA 2000 & USB interfaces
- WiFi interface for tablets, smartphones and PC
- The NMEA 2000 Starter Kit is a simple and low-cost NMEA 2000 starter kit which allows for up to 3 devices to interconnect.

Part Number	Description	Retail Price ex GST	Purchasing Price ex GST
ZDIGAIT3000	AIT5000 + NMEA2000 Starter Kit	\$1,319.95	\$989.96
